FREQUENTLY ASKED QUESTIONS

The questions and answers below will be effective TUESDAY, OCTOBER 15, 2024 for FNCB Bank Customers.

■ Why did the two banks merge?

Peoples Security Bank and Trust Company (PSBT) and FNCB Bank (FNCB) are both highly respected institutions with rich histories and experienced bankers. The geographic footprints of both banks are well aligned, which will allow the combined Bank to deepen its presence in Northeastern Pennsylvania and beyond. The combined, larger bank will benefit our shareholders, customers, and the community with an enhanced suite of banking products, services, and technology.

■ What will the bank name be?

The combined bank will operate under the Peoples Security Bank and Trust Company name (PSBT).

■ When will the system integration take place?

The systems of both banks will merge on **MONDAY, OCTOBER 14, 2024**, moving accounts from FNCB Bank into Peoples Security Bank and Trust Company systems. Following this date, you will have the convenience of banking at the expanded Peoples Security Bank and Trust Company branch network. A complete listing of our combined offices is included in this guide. For branch hours, visit psbt.com/locations.

■ Is my branch closing?

To enhance our service to both personal and business clients efficiently and due to the proximity of certain locations, the decision has been made to consolidate the following offices:

- **FNCB Biden St Scranton** consolidating into **PSBT Central City Scranton**, 150 N Washington Ave, Scranton
- **FNCB Clarks Green** consolidating into **PSBT Abington**, 1100 Northern Blvd, S Abington Twp
- **FNCB Keyser** consolidating into **PSBT Green Ridge**, 1901 Sanderson Ave, Scranton
- **FNCB Kingston** consolidating into **PSBT Kingston**, 435 Wyoming Ave, Kingston
- **PSBT East Scranton** consolidating into **FNCB Dunmore**, 100 S Blakely St, Dunmore
- **PSBT Moscow** consolidating into **FNCB Daleville**, Routes 502 & 435, Covington Twp (*new construction coming in 2025!*)

All accounts currently maintained at the closing branch will be transferred automatically to the geographically compatible office. No action by you will be necessary.

■ Will I keep my same banker?

Bankers from both companies will be part of the combined team. Our relationship-based approach will continue to provide the same level of service you expect from us today.

■ What if I have a Safe Deposit Box?

If you currently have a safe deposit box at one of the locations closing, your box will be moved to another PSBT branch, or you will have the option to open a box at a new location. A separate communication has been sent detailing your options.

FEE SCHEDULE

Dormant Account

(1) All accounts are considered dormant if there have been no deposits or withdrawals directly initiated by the customer to the account after 12 months for checking and 24 months for savings, of customer inactivity. Automatic recurring electronic deposits and/or withdrawals will not prevent an account from a dormant status. Accrued interest will be paid when a dormant account is closed.

***Insufficient Funds and Overdraft Fees**— An overdraft fee of \$35.00 will be charged per item for covering overdrafts created by check or draft, in-person withdrawal, ATM withdrawal, or other electronic means.

The following Terms and Conditions regarding overdrafts will apply to your account:

How We Decide to Pay an Item or Debit. We use an actual (ledger) balance method to determine whether there are sufficient funds in your account to pay a debit transaction or item. The actual (ledger) balance method calculates your account balance only based on transactions that have settled, and it does not reflect pending transactions or checks that have not posted to your account. For example, you have \$100 in your account and a pending transaction of \$30. Your actual (ledger) balance is \$100 because the pending \$30 transaction does not reduce your actual (ledger) balance until it posts to your account.

Processing Order. In the normal course of business, we generally pay electronic transactions first and then checks presented directly to the bank in serial number order followed by checks presented from the Federal Reserve in serial number order, per the bank's policy. We reserve the right to change the order of payment without notice to you if we, for example, suspect fraud, illegal activity, or your account becomes overdrawn. Please be aware that the order in which we may pay your items may create multiple overdraft items in a single banking day. You will be charged our Overdraft Item Fee of \$35.00 for each overdraft item paid. The processing order of these items is important because if there is not enough money in the account to pay for the items in the order they are processed in accordance with the processing order, there may be an overdraft on your account which may result in overdraft or non-sufficient funds fees or an increase in the amount of these fees.

(2) Paid Item Fee - This fee will be assessed for each item paid by the bank that causes your account to become overdrawn - \$10.01 or more during end of day processing each business day. PSBT will not charge a fee to depositors for each Paid Item by the bank identified as the same item that is re-presented after the first fee is charged.

(3) Returned Item Fee - This fee will be assessed for each item returned by the bank that causes your account to become overdrawn - \$10.01 or more during end-of-day processing each business day. Returned items may be presented for payment by the payee or their financial institution multiple times. PSBT will not charge a fee to depositors for each Returned Item by the bank for the same item that is re-presented after the first fee is charged.

(4) Paid/Returned Daily Maximum of Personal Accounts - The total of all Paid Item Fees and/or Returned item fees will not exceed this amount in a single day.

(5) Paid/Returned Daily Maximum of Business Accounts - The total of all Paid Item Fees and/or Returned item fees will not exceed this amount in a single day.

You may access your Debit Card through the following network(s): MasterCard, Cirrus, Accel, Maestro, Pulse.

ATM FEES. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used, and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

POINT OF SALE TRANSACTIONS. Listed below is the card you may use to purchase goods and services from merchants that have arranged to accept your card as a means of payment (these merchants are referred to as "Participating Merchants"). Some Participating Merchants may permit you to receive cash back as part of your purchase. Purchases made with your card, including any purchase where you receive cash, are referred to as "Point of Sale" transactions and will cause your "designated account" to be debited for the amount of the purchase. We have the right to return any check or other item drawn against your account to ensure there are funds available to pay for any Point of Sale transaction. We may, but do not have to, allow transactions which exceed your actual (ledger) account balance. If we do, you agree to pay an amount equal to the overdrawn balance plus any overdraft fees.

The following card and the corresponding designated account(s) may be used for Point of Sale transactions:

- Peoples Security Bank and Trust Company Debit Card: checking account.

Your Debit Card may also be used to obtain cash from your designated account(s) at participating financial institutions when so authorized under the terms of your Account Agreement.

AUTHORIZATION HOLDS. An authorization hold is a temporary hold that is placed on your account for certain Debit Card transactions. The amount of the temporary hold may be more than the actual amount of the transaction, so your available account balance will temporarily be reduced by the amount of the temporary hold. If the authorization hold or the processing of subsequent transactions causes your account to have insufficient funds to pay the transaction, we may charge you non-sufficient funds fees if we return the item or overdraft fees if we pay the item on your behalf.

CURRENCY CONVERSION - Mastercard®. If you perform transactions with your card with the Mastercard® logo in a currency other than US dollars, Mastercard International Inc. will convert the charge into a US dollar amount. At Mastercard International they use a currency conversion procedure, which is disclosed to institutions that issue Mastercard®. Currently the currency conversion rate used by Mastercard International to determine the transaction amount in US dollars for such transactions is based on rates observed in the wholesale market or government-mandated rates, where applicable. The currency conversion rate used by Mastercard International is generally the rate of the applicable currency on the date that the transaction occurred. However, in limited situations, particularly where transactions are submitted to Mastercard International for processing are delayed, the currency conversion rate used may be the rate of the applicable currency on the date that the transaction is processed.

IMPORTANT ADDITIONAL FEE NOTICE. You will be assessed, by us, an International Transaction Fee of 3.00% of the transaction amount of each international transaction. The Global Clearing Management System uses the currency conversion rates in effect at the time of the authorization for eligible transactions requiring currency conversion.

NOTICE OF RIGHTS AND RESPONSIBILITIES

The use of any electronic fund transfer services described in this document creates certain rights and responsibilities regarding these services as described below.

RIGHT TO RECEIVE DOCUMENTATION OF YOUR TRANSFERS.

TRANSACTION RECEIPTS. Depending on the location of an ATM, you may not be given the option to receive a receipt if your transaction is \$15.00 or less. Upon completing a transaction of more than \$15.00, you will receive a printed receipt documenting the transaction (unless you choose not to get a paper receipt). These receipts (or the transaction number given in place of the paper receipt) should be retained to verify that a transaction was performed. A receipt will be provided for any transaction of more than \$15.00 made with your Debit Card at a Participating Merchant. If the transaction is \$15.00 or less, the Participating Merchant is not required to provide a receipt.

PERIODIC STATEMENTS. If your account is subject to receiving a monthly statement, all EFT transactions will be reported on it. If your account is subject to receiving a statement less frequently than monthly, then you will continue to receive your statement on that cycle, unless there are EFT transactions, in which case you will receive a monthly statement. In any case you will receive your statement at least quarterly.

PREAUTHORIZED DEPOSITS. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company:

- you can call us at 1-888-868-3858 to find out whether or not the deposit has been made.

USING YOUR CARD AND PERSONAL IDENTIFICATION NUMBER ("PIN"). In order to assist us in maintaining the security of your account and the terminals, the Debit Card remains our property and may be revoked or canceled at any time without giving you prior notice. You agree not to use your Debit Card for a transaction that would cause your account balance to go below zero, or to access an account that is no longer available or lacks sufficient funds to complete the transaction, including any available line of credit. We will not be required to complete any such transaction, but if we do, we may, at our sole discretion, charge or credit the transaction to your account; you agree to pay us the amount of the improper withdrawal or transfer upon request.

Certain transactions involving your Debit Card require use of your PIN. Your PIN is used to identify you as an authorized user. Because the PIN is used for identification purposes, you agree to notify Peoples Security Bank and Trust Company immediately if your Debit Card is lost or if the secrecy of your PIN is compromised. You also agree not to reveal your PIN to any person not authorized by you to use your Debit Card or to write your PIN on your Debit Card or on any other item kept with your Debit Card. We have the right to refuse a transaction on your account when your Debit Card or PIN has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

The security of your account depends upon your maintaining possession of your Debit Card and the secrecy of your PIN. You may change your PIN if you feel that the secrecy of your PIN has been compromised. You may change your PIN at an ATM or at your local branch or call 800-290-7893 and follow the prompts.

RIGHTS REGARDING PREAUTHORIZED TRANSFERS.

RIGHTS AND PROCEDURES TO STOP PAYMENTS. If you have instructed us to make regular preauthorized transfers out of your account, you may stop any of the payments. To stop a payment,

call us at: 1-888-868-3858

or

write to: Peoples Security Bank and Trust Company
Attn: Deposit Operations Customer Support
82 Franklin Ave
Hallstead, PA 18822

We must receive your call or written request at least three (3) business days prior to the scheduled payment. If you call, please have the following information ready: your account number, the date the transfer is to take place, to whom the transfer is being made and the amount of the scheduled transfer. If you call, we will require you to put your request in writing and deliver it to us within fourteen (14) days after you call.

NOTICE OF VARYING AMOUNTS. If you have arranged for automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person or company ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

OUR LIABILITY FOR FAILURE TO STOP PREAUTHORIZED TRANSFER PAYMENTS. If you order us to stop one of the payments and have provided us with the information we need at least three (3) business days prior to the scheduled transfer, and we do not stop the transfer, we will be liable for your losses or damages.

YOUR RESPONSIBILITY TO NOTIFY US OF LOSS OR THEFT. If you believe your Debit Card or PIN or internet banking access code has been lost or stolen,

call us at: (888)297-3416 (24-hour)

or

write to: Peoples Security Bank and Trust Company
Operations Center
82 Franklin Ave
Hallstead, PA 18822

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

CONSUMER LIABILITY. Tell us AT ONCE if you believe your Debit Card or PIN or internet banking access code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit, if applicable). If you tell us within two (2) business days after you learn of the loss or theft of your Debit Card or PIN or internet banking access code you can lose no more than fifty dollars (\$50) if someone used your Debit Card or PIN or internet banking access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Debit Card or PIN or internet banking access code and we can prove we could have stopped someone from using your Debit Card or PIN or internet banking access code without your permission if you had given us notice, you can lose as much as five hundred dollars (\$500).

Also, if your statement shows transfers you did not make, including those made by card, code, or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was transmitted to you, you may not receive back any money you lost after the sixty (60) days, and therefore, you may not get back any money in your account, if we can prove that we could have stopped someone from taking the money had you given us notice in time. If a good reason (such as a long trip or hospital stay) keeps you from giving the notice, we will extend the time periods.

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSACTIONS INVOLVING PEOPLES SECURITY BANK AND TRUST COMPANY DEBIT CARD. The limitations on your liability for unauthorized transactions described above generally apply to all electronic fund transfers. However, different limitations apply to certain transactions involving your card with the Mastercard® branded card.

If you promptly notify us about an unauthorized transaction involving your card and the unauthorized transaction took place on your Mastercard® branded card, including any PIN-based ATM or POS transactions, zero liability will be imposed on you for the unauthorized transaction. In order to qualify for the zero liability protection, you must have exercised reasonable care in safeguarding your card from the risk of loss or theft and, upon becoming aware of such loss or theft, promptly reported the loss or theft to us.

ILLEGAL USE OF PEOPLES SECURITY BANK AND TRUST COMPANY DEBIT CARD. You must not use your Peoples Security Bank and Trust Company Debit Card for any illegal transactions, including internet gambling and similar activities.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR TRANSACTIONS. In case of errors or questions about your electronic fund transfers,

call us at: 1-888-868-3858

or

write to: Peoples Security Bank and Trust Company
Operations Center
82 Franklin Ave.
Hallstead, Pa. 18822

or

use the current information on your most recent account statement.

Notification should be made as soon as possible if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt. You must contact Peoples Security Bank and Trust Company no later than 60 days after we sent you the first statement on which the problem or error appears. You must be prepared to provide the following information:

- Your name and account number.
- A description of the error or transaction you are unsure about along with an explanation as to why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

If you provide oral notice, you will be required to send in your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty (20) business days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

LIABILITY FOR FAILURE TO COMPLETE TRANSACTION. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages as provided by law. However, there are some exceptions. We will NOT be liable, for instance:

- If through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would result in your exceeding the credit limit on your line of credit, if you have one.
- If the electronic terminal was not working properly and you knew about the breakdown before you started the transfer.
- If circumstances beyond our control (such as fire or flood, computer or machine breakdown, or failure or interruption of communications facilities) prevent the transfer, despite reasonable precautions we have taken.
- If we have terminated our Agreement with you.
- When your Debit Card has been reported lost or stolen or we have reason to believe that something is wrong with a transaction.
- If we receive inaccurate or incomplete information needed to complete a transaction.
- In the case of preauthorized transfers, we will not be liable where there is a breakdown of the system which would normally handle the transfer.
- If the funds in the account are subject to legal action preventing a transfer to or from your account.
- If the electronic terminal does not have enough cash to complete the transaction.

There may be other exceptions provided by applicable law.

Per each ATM Withdrawal, Transfer or Inquiry made at ATM's We Do Not Own	\$3.00

DISCLOSURE OF ACCOUNT INFORMATION. We will disclose information to third parties about your account or electronic fund transfers made to your account:

1. Where necessary to complete a transfer or to investigate and resolve errors involving the transfer(s); or
2. In order to verify the existence and condition of your account for a third party such as a credit bureau or merchant; or
3. In order to comply with government agency or court orders; or
4. If you give us your permission in a record or writing.

SAFETY PRECAUTIONS FOR ATM TERMINAL USAGE. Please keep in mind the following basic safety tips whenever you use an ATM:

- Have your Debit Card ready to use when you reach the ATM. Have all of your forms ready before you get to the machine. Keep some extra forms (envelopes) at home for this purpose.
- If you are new to ATM usage, use machines close to or inside a financial institution until you become comfortable and can conduct your usage quickly.
- If using an ATM in an isolated area, take someone else with you if possible. Have them watch from the car as you conduct your transaction.
- Do not use ATMs at night unless the area and machine are well-lighted. If the lights are out, go to a different location.
- If someone else is using the machine you want to use, stand back or stay in your car until the machine is free. Watch out for suspicious people lurking around ATMs, especially during the times that few people are around.
- When using the machine, stand so you block anyone else's view from behind.
- If anything suspicious occurs when you are using a machine, cancel what you are doing and leave immediately. If going to your car, lock your doors.
- Do not stand at the ATM counting cash. Check that you received the right amount later in a secure place, and reconcile it to your receipt then.
- Keep your receipts and verify transactions on your account statement. Report errors immediately. Do not leave receipts at an ATM location.

ADDITIONAL PROVISIONS

Your account is also governed by the terms and conditions of other applicable agreements between you and Peoples Security Bank and Trust Company.

FUNDS AVAILABILITY POLICY DISCLOSURE

psbt.com | 888 868 3858 | psbtbank@psbt.com

PURPOSE OF THIS DISCLOSURE. Our general policy is to allow you to withdraw funds deposited in a transaction account by the first Business Day after the day of deposit. Funds from electronic direct deposits will be available on the day we receive the deposit. In some cases, we may delay your ability to withdraw funds beyond the first Business Day after the day of deposit. Our complete policy is summarized below.

For purposes of this disclosure, the terms "you"/"your" refer to the customer and the terms "our"/"we"/"us" refer to Peoples Security Bank and Trust Company.

Generally, transaction accounts are accounts which would permit an unlimited number of payments by check to third persons, and also an unlimited number of telephonic and preauthorized transfers to third persons or other accounts you may have with us.

DETERMINING THE AVAILABILITY OF YOUR DEPOSIT. The length of the delay varies depending on the type of deposit and is explained below. When we delay your ability to withdraw funds from a deposit, you may not withdraw the funds in cash, and we will not pay checks you have written on your account by using these funds. Even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

When we delay your ability to withdraw funds, the length of the delay is counted in Business Days from the day of your deposit. The term "Business Day" means any day other than a Saturday, Sunday or federally declared legal holiday, and the term "Banking Day" means that part of any Business Day on which we are open to the public for carrying on substantially all of our banking functions.

If you make a deposit before the close of business on a Business Day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the close of business or on a day that we are not open, we will consider the deposit made on the next Business Day we are open.

AVAILABILITY SCHEDULE

Same Day Availability. Funds from deposits of:

- electronic direct deposits
- cash*
- wire transfers
- checks drawn on us

will be available on the day of deposit.

will be available by the first Business Day after the day of deposit.

Other Check Deposits. Funds from all other check deposits will be available by the first Business Day after the day of your deposit.

* **Cash Deposits.** If the cash deposits are made in person to an employee of Peoples Security Bank and Trust Company, then the funds will be made available on the day we receive your deposit. If the deposits are not made in person to an employee, then the funds will be made available no later than the second Business Day after the day of your deposit.

** **Check Deposits.** Check deposits include U.S. Treasury checks; U.S. Postal Service money orders; Federal Reserve Bank or Federal Home Loan Bank checks; State or Local Government checks; and Cashier's, Certified, or Teller's Checks. In order for these check deposits to be made available according to the funds availability schedule above, the checks must be made payable to you and deposited into your account. If any of these conditions are not satisfied, then the funds from these check deposits will be made available no later than the second Business Day after the day of your deposit.

LONGER DELAYS MAY APPLY. In some cases, we will not make all of the funds that you deposit by check available to you according to the previously stated availability schedule. Depending on the type of check that you deposit, funds may not be available until the second Business Day after the day of your deposit. The first \$225.00 of your deposits, however, may be available by the first Business Day after the day of deposit.

If we are not going to make all of the funds from your deposit available to you according to the previously stated availability schedule, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- (a) if we believe a check you deposit will not be paid;
- (b) if you deposit checks totaling more than \$5,525 on any one day;
- (c) if you redeposit a check that has been returned unpaid;
- (d) if you have overdrawn your account repeatedly in the last six months; or

- (e) if an emergency condition arises that would not enable us to make the funds available to you, such as the failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 7 Business Day after the day of your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

HOLDS ON OTHER FUNDS FOR CHECK CASHING. If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

SPECIAL RULES FOR NEW ACCOUNTS. If you are a new customer, the following special rules may apply during the first 30 days your account is open.

Same Day Availability. Funds from cash*, wire transfers, and electronic direct deposits made to your account will be available on the day we receive the deposit.

* **Cash Deposits.** If the cash deposits are made in person to an employee of Peoples Security Bank and Trust Company, then the funds will be made available on the day we receive your deposit. If the deposits are not made in person to an employee, then the funds will be made available no later than the second Business Day after the day of your deposit.

** **Check Deposits.** Check deposits include U.S. Treasury checks; U.S. Postal Service money orders; Federal Reserve Bank or Federal Home Loan Bank checks; State or Local Government checks; Cashier's, Certified, or Teller's checks; and Traveler's checks. In order for these check deposits to be made available according to the funds availability schedule above, the following conditions are required:

U.S. Treasury Checks. These checks must be made payable to you and deposited into your account.

U.S. Postal Service Money Orders; Federal Reserve Bank or Federal Home Loan Bank Checks; State or Local Government Checks; Cashier's, Certified, or Teller's Checks; or Traveler's checks. These checks must be made payable to you, made in person to one of our employees, and deposited into your account.

FOREIGN CHECKS. Checks drawn on financial institutions outside of the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this disclosure. Generally, the availability of funds from deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institutions upon which they are drawn.

DEPOSITS AT AUTOMATED TELLER MACHINES. If you make a deposit at an automated teller machine (ATM) that is owned and operated by us before 3:00 PM EST on a Business Day that we are open, we will consider the deposit made that day. However, if you make a deposit at an ATM that is owned and operated by us after 3:00 PM EST or on a day that we are not open, we will consider the deposit made on the next Business Day we are open.

Funds from any deposits (cash or checks) made at ATMs that we do not own or operate will not be available until the fifth Business Day after the day of your deposit. This rule does not apply at ATMs that we own or operate.

All ATMs that we own or operate are identified as our machines.

ADDITIONAL DEPOSIT INFORMATION. Deposits made at a Peoples Security Bank and Trust night depository will generally be available on the second banking day after the banking day of the deposit.

Important Notice and Change in Terms for FNCB Bank's Courtesy Overdraft Service

Peoples Security Bank and Trust Company Overdraft Privilege Disclosure

Effective *on or about October 15, 2024*, all customers with accounts currently enrolled in the FNCB Courtesy Overdraft Service will be transferred to the Peoples Security Bank and Trust Company Overdraft Privilege Service. The current Overdraft Privilege limit is \$300 for all consumers. The current Overdraft Privilege limit is \$1,500 for business. Please review this "Overdraft Privilege Disclosure" for complete important details about the program.

There are several ways your account can become overdrawn, such as (1) the payment of checks, electronic funds transfer or other withdrawal requests; (2) payments authorized by you (i.e. debit card point of sale transactions); (3) the return of unpaid items deposited by you; (4) bank service charges; or (5) the deposit of items which, according to the bank's Funds Availability Policy, are treated as not yet available or finally paid. Overdraft Privilege is not a line of credit; it is a discretionary service offered to our qualified customers to pay overdrafts on deposit accounts. However, if you overdraw your account, we will have the discretion to pay the overdraft, subject to the limit of your overdraft privilege and the amount of the overdraft fee.

The "Consumer Account Overdraft Enrollment and Election Change Form" options are as follows: Any transaction presented for payment may be returned when you have insufficient funds in your account. If you only request Basic Overdraft Privilege and do not request the Extended Overdraft Privilege, your checks, recurring debit card, automated payments through ACH and electronic bill pay may be covered, but your everyday debit card purchases, and ATM transactions will be denied if you do not have sufficient funds in your account. If you request us to do so and opt-in for Extended Overdraft Privilege, we may authorize ATM transfers or withdrawals and everyday debit card purchases using your available balance and your Overdraft Privilege Limit. The Extended Overdraft Privilege service is only available as an addition to the Basic Overdraft Privilege and is not available separately.

When you request Basic Overdraft Privilege and/or Extended Overdraft Privilege, the service may be available when your account has been open 60 days. While we are not obligated to pay any item presented for payment if your account does not contain enough money, as long as you maintain your account in "good standing," we may approve your overdraft items within your unused Overdraft Privilege limit as a non-contractual courtesy. For overdraft privilege consideration, your account is in "good standing" if you (1) make every attempt to bring your account to a positive end-of-day balance as soon as possible; If you are not able to do so within 30 calendar days, you may receive a letter from Peoples Security Bank and Trust Company informing you that your Overdraft Privilege Limit has been suspended and additional items will be returned; (2) avoid excessive overdrafts suggesting the use of Overdraft Privilege as a continuing line of credit; and (3) have no legal orders, levies or liens against your account.

In the normal course of business, we generally pay electronic transactions first and then checks presented directly to the bank in serial number order followed by checks presented from the Federal Reserve in serial number order, per the bank's policy. However, checks are often converted to electronic transactions which may post to your account more quickly, affecting the order in which they post. We reserve the right to change the order of payment without notice to you if we suspect fraud or possible illegal activity affecting your account. Also, please be aware that the order in which we pay your items may create multiple overdraft items in a single banking day and you will be charged our Paid Item Fee of \$35.00 for each overdraft item paid.

7/26/24 JS/BB

PSBT will reimburse each Paid Item Fee to depositors that is paid for the same items that is re-presented after the first fee is charged.

You may opt out of the privilege at any time, but you are responsible for any overdrawn balances at the time of opting out. Normally, we will not approve an overdraft for you in excess of the predetermined amount assigned to your account type. So as not to exceed your limit, please note that the amount of the overdraft **plus** the bank's Paid Item Fee of \$35.00 per item will be deducted from the Overdraft Privilege limit.

We may refuse to pay an overdraft item at any time even though we may have previously paid overdrafts for you. For example, we typically do not pay overdraft items if your account is not in good standing as defined above, or, if based upon our review of your account management, we determine that you are using Overdraft Privilege excessively or seem to be using Overdraft Privilege as a regular line of credit. We may assess a returned item NSF Fee of \$35.00 for each item returned. Returned items may be presented for payment by the payee or their financial institution multiple times (re-presentments). It is our policy not to charge for re-presentments. If our processing system inadvertently charges you for a re-presented item, please contact us for a refund of this fee.

We will notify you promptly of any items paid or returned for non-sufficient funds, however, we have no obligation to notify you before we pay or return any item. The amount of any overdraft including our Paid Item Fee of \$35.00 and/or a Return(ed) Item Fee of \$35.00 that you owe us is due and payable upon demand. Even if we do not ask you for payment, you must repay us, no later than 30 calendar days after the creation of the overdraft. If there is an overdraft on an account with more than one owner on the signature card, each owner and agent, if applicable, is jointly and severally liable for all overdrafts including all fees charged.

You may receive two notices. The Overdraft Privilege Notice will list the items paid within your Overdraft Privilege Limit. A Notice of Items with Insufficient Funds will list the items if the Overdraft amount has exceeded your Overdraft Privilege Limit.

Overdraft Privilege should not be viewed as an encouragement to overdraw your account. To avoid fees, we encourage you to keep track of your account balance by entering all items in your check register, reconcile your check book regularly, and manage your finances responsibly. If you would like to have this service removed from your account, please call 888-868-3858 or contact your local branch.

Please note that your Overdraft Privilege limit may be available for each item paid under the limit created by checks and other transactions made using your checking account number, such as a teller withdrawal, an automatic payment (ACH) transaction, or automatic bill payment and recurring debit card payment if you have opted in for the service and for business accounts only, ATM and everyday debit card transactions. For all other personal accounts at your request, we may authorize and pay ATM transfers or withdrawals and everyday debit card purchases within the authorized limit. Your available balance may be affected by authorizations which could create additional overdrafts and associated fees. When you ask for your account balance, please remember the amount we disclose to you does not include your overdraft limit.

If you request us to do so (opt-in to the Extended Overdraft Privilege), we may authorize ATM transfers or withdrawals and everyday debit card purchases by using your **available balance** and your Overdraft Privilege limit. Your **current balance** or **actual ledger balance** at the time these transactions post will determine the overdraft status and the assessment of fees. Other transactions initiated by you, or a delay in processing authorized transactions by the merchant, may result in previously authorized transactions posting against an insufficient balance. A paid item OD fee of \$35.00 will be charged for each ATM or everyday debit card transaction that is authorized and posts against insufficient funds. Once opted in, you may revoke your

authorization at any time by contacting us at (888) 868-3858. For business accounts, ATM and debit card transactions will be handled as described above with no action required on your part.

Multiple paid items will result in multiple fees. For example, three paid items in one day will result in \$105.00 in paid item OD fees. To help you manage your account, the total fees you have paid for items (both paid and returned) during the current month and for the year-to-date will be reflected on your monthly checking statement.

If you would like to revoke your previous authorization for ATM and debit card transaction coverage, or have this service removed entirely from your account, please call (888) 868-3858 or contact your local branch.

LIMITATIONS: Overdraft Privilege is a non-contractual courtesy that is available to certain types of individually/jointly owned accounts for personal/household use in good standing, or to certain types of business accounts in good standing. If you have multiple accounts for household or business purposes, you may have a limit on all eligible accounts. Peoples Security Bank and Trust Company reserves the right to limit participation to one account per household or business and to suspend, revoke, or discontinue this service without prior notice. If your limit is suspended, unless we notify you otherwise or you request this service be removed from your account, your limit will be made available to cover overdrafts again the first business day after you bring your accounts to a positive end-of-day balance.
